**Subject:** DTSC News Feed

DTSC News Feed is a weekly email that pulls together short updates and internet links to keep you informed about the latest accomplishments and news highlights at the California Department of Toxic Substances Control (DTSC).

## June 4, 2015

- DTSC is helping set the stage for the makeover of a large piece of property called the Santa Clara Square project in Santa Clara.
- More than 5,300 tons of soils have been removed from 93 residential properties near the Exide facility in Vernon. Checkout the latest numbers on the cleanup.
- San Francisco recently received the first major transfer of land for Treasure and Yerba Buena islands project.
- Follow DTSC and other California EPA departments on Instagram!

Archived versions of DTSC News Feed can be found on the department website.
